## Professional Summary

I am the owner of a Bachelor of Graphic Design, seeking employment within the Graphic Design industry. I am interested in motion design, branding and illustration with the drive and experience that would make me an asset to you. With several years of freelance work and experience in professional design settings, I am completely prepared to work within any business. I am able to work efficiently and deliver quality work with great use of colour. specialise in quick and efficient work.

## Education

2022-2025

### Bachelor of Graphic Design (Pathway to Teaching Secondary)

Western Sydney University, Paramatta

Minor in Screen Media Design and Education Studies.

## Experience

2025 Aug - Present

### MARCS Institute Animator

Design, plan, and animate an educational video to help toddlers learn to speak and interact.

### Standout Skills

Worked very quickly and delivered results beyond their expectations in their words.

### Key Accomplishments

I've doubled the length of the initial animation without issue. The script mandated only 3 and a half minutes while the voice lines were seven minutes in length.

2022 - Present

### Freelance Designer

Create based on client's demands, brand, and promote myself, improve skills, keep up with trends whilst retaining personal style and know how to make websites.

### Key Accomplishments

Responds and makes adjustments to the client's demands efficiently.

2024

### **Frango's Charcoal Chicken**

Cook food, clean, serve customers and sort inventory in a busy restauraunt.

### **Key Accomplishments**

Responds and makes adjustments to the client's demands quickly and effectively.

2021

### **Josefina's Kitchen Graphic Designer**

Work on the branding and logo for Josefina's Kitchen

### **Key Accomplishments**

Helped with the brand's first ever branding, helping kickstart their business.

## Skills

### **Microsoft Office and Tableau**

I am well versed in Microsoft Word, Excel, Tableau and Powerpoint. I am well versed with the program and can work with data seamlessly and can work with excel formulas to streamline any process.

### **Graphic design tools: Photoshop, Canva, Illustrator, InDesign and Figma**

I have trained and worked with these tools academically, in a work environment and in my own personal spare time. I can seamlessly work with any of these tools and are quick to learn anything new.

### **Motion design tools: Premiere Pro, After Effects and Live2d**

I have also trained and worked with these tools throughout my life in order to deliver motion graphics for my clients and teachers and do so seamlessly

### **HTML, CSS, Javascript and general IT help**

I have worked with HTML, CSS and competent at Javascript. I have developed my own website and have finished usniversity assignments. Utilising the ability to code is important for modern graphic design work. Furthermore I'm technologically adept, and have experience helping people with their IT issues.

### **Culinary and customer service experience.**

My experience in restaurant and fast food work has taught me to be resilient, persist, work under pressure and think fast on my feet. This will prove invaluable to anywhere I need to work. Furthermore, this caused me to be a great cook.
